

Would you like your own website?

In addition to the many promotional services we currently offer, the Buckeye Bowling Writers are preparing to offer yet another!

The BBW is offering all associations and/or related clubs the opportunity to have their own website, through BBW!

This website can be designed, posted and updated by BBW, or it can be designed and posted by BBW, but updated & maintained by someone within your local association. Whichever scenario works best for you...

Among the countless pieces of information which can be included in your website is:

- Your current board of directors
- Contact information for any/all board members, your President, your Association Manager, etc.
- Names, address & phone numbers of all centers in your association
- Your logo (if any) and/or your association colors (if any)
- A hit counter
- A guestbook
- Links to other bowling related sites
- Links on other bowling related sites to your website
- Upcoming and current tournament information
- Event Calendar & meeting notices
- Tournament standings (both current and previous year)
- Related Clubs information (or a page of their own)

You will have an e-mail address that corresponds to your site, which can be checked by the designated association contact.

The information available to be posted to your site is only limited by your imagination!

Most web design companies would charge you upwards of \$1,000+ to design and post your site. What if we were to tell you we could do it for \$100? Would you be interested? Think about the potential for your members – the ease in communication; the availability of information to the membership; the savings in postage and phone calls alone!

If you chose the option to have BBW design and post it, but you want to maintain it, step-by-step directions on updating methods will be provided.

TERMS:

- BBW's designated Website Chairman will design and post your site. Fee for service is \$100.00.
- If you decide to have BBW update and maintain your site on a continuing basis, the annual fee will be \$50.00 (dependent upon the amount of information, ease of information transfer, and the frequency of changes).
- You agree to provide BBW all information to be posted to site in a widely used format (i.e. Microsoft Word, or Excel, etc.), via e-mail, if you have the capability.
- All information received will be acknowledged upon receipt and a time frame for update will be given. (Allow 1–2 days for information to be updated on site.)

If you are interested in taking advantage of this offer, please complete the attached form and return it to any BBW Advisory Board Member or mail it to the address listed below. If you prefer, please e-mail us with your interest: LoriGillen@hotmail.com
